

Your summer reading assignment for AP 1 is from the Randall Munroe book titled "What If" (2014). Listed below are the sections you are required to read and write a one paragraph summary of. You may very well be intrigued by the entire book, but only the selections listed below are relevant to the AP 1 topics.

"Questions".	Page
Everybody Jump.	43
Machine Gun Jetpack.	68
Orbital Submarine.	78
Little Planet.	102
Steak Drop.	107
Hockey Puck.	112
Glass Half Empty.	119
Interplanetary Cessna.	137
Falling with Helium.	150
High Throw.	168
Speed Bump.	179
Orbital speed.	187
Free Fall.	195
Expanding Earth.	237
Weightless Arrow.	244
Neutron Bullet	280

To be fair, buying the book is the right thing to do. But I have found a free pdf online. As you probably know how to do this sort of thing already I don't need to post the link. But if you really need to see the free one and cannot seem to find it on your own, just send me a message and I will forward the link. Disclaimer: the link I saw was available as of the writing of this assignment- no guarantees it will be there in the future!

These 16 paragraphs are due at the end of the first week of school in the fall, and will count as your first assessment grade in 25-26.
