SUPPORT THE FENCE FUND — KEEP PLAYTIME SAFE!

## HELP US REACH \$2700

The Haviland Avenue School PTA is raising **\$2,700** to purchase temporary fencing for the blacktop area to keep our kids safe

During recess and lunch, delivery and trash trucks sometimes need access to the blacktop, creating a safety concern for our students. Movable fencing will help create a safe, designated play space—so our kids can enjoy recess without worry.
