

Request for Proposal 25058
High and Low Voltage Electrical Service
Addendum
May 27, 2025

<i>QUESTIONS</i>

1. In the statement of need, it talks about electrical “low voltage” up to 480 volt and low voltage work. In the Attachment A page 1, it asks for rates covering Electrical Service (High Voltage), and Electrical Service (Low Voltage). Would high voltage be considered up to 480 volt, and low voltage be considered data work? If not, what is the voltage range for the High Voltage portion?

Answer: YES
