***This list is NOT a recommendation from Hoover Elementary or the Ken-Ton School District for any of the private businesses listed above. They are daycare centers who currently or previously service some of the Hoover students in the past few years. Please ask friends and family for recommendations or plan a visit with the facilities that may interest you. There may also be other centers that would be willing to service our students if you contact them directly.**

******If you need transportation to and from daycare sites that are located in the Ken-Ton School District you must fill out an Alternate Transportation [Form](#). Any questions regarding transportation please contact KenTon Transportation at 716 874-8611**
