NOTES

- Generally, snow removal is not included as a service when outside user groups rent a Lemont High School District 210 facility. However, if the district determines that snow removal is necessary for the event to successfully take place, personnel costs for removing the snow will be assessed to the organization renting the facility.
- Personnel rates are subject to change when Lemont High School District 210 deems that overtime is necessary.
- Organizations may be assessed a usage fee for items that are in continuous use.
- All rates are subject to change to conform with the district's Board of Education policies and negotiated agreements.
- The applicant is responsible for any damage to Lemont High School District 210's building, equipment or fixed assets that occurs directly or indirectly from action arising out of, or in connection with, the applicant's use of the district's facilities. All damages will be assessed at current market price for materials and labor.
- There is no charge to utilize the following: athletic public address system, lecterns/podiums, portable sound system, or scoreboards. Specific to the Performing Arts Center, the following are included in the facility fee: dressing rooms/Green Room, standard area lighting, standard house sound with three wired microphones and two stage monitors, and music stands.
