Year-Round Calendar

Teacher Workdays

"Teacher Workday" means no school for students, on days set aside for professional learning, training, and other work activities to support student learning. **An asterisk (*) marks Optional Teacher Workdays**, on which staff may take accrued leave if they do not work that day.

Inclement Weather

Orange County Schools academic calendars provide more instructional hours than the minimum required by the state of North Carolina. Therefore, a certain number of student days each year missed due to inclement weather (or for any other reason) will not require makeup days to be scheduled. **When makeup days are needed to provide enough instructional hours, changing Teacher Workdays to student days is one step OCS will explore.**

Calendar Law

Public schools in North Carolina must provide 185 days or 1,025 hours of instruction, if the number of student days is less than 185. **All North Carolina Public Schools are subject to the [NC School Calendar Legislation](#).**
