POINTS OF PRIDE

MARY HARRIS

Additional Day School Year, or ADSY as we call it, is coming to Mary Harris Elementary! By adding 30 days of instruction, enrichment, and targeted intervention, ADSY has been proven to combat summer learning loss and boost academic achievement. It also creates more space for SEL, mental wellness breaks, unstructured play, and meaningful teacher collaboration. With a strong focus on math and literacy, we’re confident this innovative approach will launch our Huskies to new heights. On Monday, July 14, we’ll roll out the red carpet to welcome back our staff and students—and we can’t wait to see everything our Mary Harris Huskies will accomplish in 2025-2026!

GRADUATION VOLUNTEERS

We would like to recognize the 200+ volunteers and graduation committee members who dedicated their time to making our 2025 graduation memorable. Their hard work and commitment truly embodied the spirit of Crowley Pride Unified. We appreciate you!

GRADUATION

On Saturday, May 24, Crowley ISD proudly celebrated the graduation of 549 Crowley High School graduates and 732 North Crowley High School graduates. These outstanding scholars earned more than \$162 million in scholarships, and we could not be prouder! Congratulations!

FREE SUMMER MEALS

Students might be on summer break, but healthy meals don’t take a vacation. Crowley ISD is providing free breakfast and lunch to anyone ages 18 and under during the summer, and no...You don't have to be a Crowley ISD student to receive a free meal. Free meals are available at the following campuses:

- Bill R. Johnson CTE
- J.A. Hargrave Elementary
- North Crowley High School
- Richard Allie Middle School
- S.H. Crowley Elementary
- Sidney H. Poynter Elementary
- Summer Creek Middle

Families can visit www.crowleyisdtx.org/childnutrition for details. All summer long, we act like a family and work like a team!

Crowley Independent School District

COMMUNITY ENGAGEMENT

Crowley ISD is proud to host a Community Engagement Meeting on Monday, June 16, providing two convenient opportunities for participation: 12-1 PM via Zoom and 6-7 PM in person at the Crowley ISD Multi-Purpose Stadium. This call-in meeting invites families, staff, and stakeholders to share input and explore collaborative solutions that help build stronger schools and communities. Through open dialogue, your voice will shape our comprehensive community engagement plan. Join us to be heard, stay informed, and help create meaningful change. Together, we’re building a brighter future for every student.

SUMMER CREEK MIDDLE

Summer Creek Middle School’s band program has enjoyed an incredible season of success! On April 4, the Honors Band earned straight 1’s in UIL concert and sight reading, winning the Sweepstakes Award in the CCC category and First Division at the Arlington All-Star Festival. On April 13, all three bands—concert, symphonic, and honors—earned top scores at the Fun Fest Band Festival, with the Symphonic Band receiving an Outstanding Performance Trophy. On May 2, the Honors Band won Best Band in Class and Outstanding Percussion. We are so proud of their hard work, talent, and dedication! Crowley Pride...Unified!

FINE ARTS CAMP

Crowley ISD is proud to offer an engaging Fine Arts Camp for current K-5th grade students from June 9-13, 2025, at Poynter Elementary School. With six enriching classes per day—including art, theater, percussion, dance, music, and technology—students can explore creativity in a fun, safe environment. Camp runs from 7:30 a.m. to 5:00 p.m., includes free breakfast and lunch, and provides a free camp T-shirt for early registrants. Designed to spark imagination and foster talent, this camp is a shining example of Crowley ISD’s commitment to whole-child learning through the arts. We can’t wait to welcome them!
