Our School Mission

Victory Charter School's mission is to develop students who are competent, confident, productive and responsible young adults who possess the habits, skills and attitudes to succeed in life.

The Harbor Method

The Harbor Method is a whole school approach designed to educate children to be capable and caring graduates ready for the next level of their education.

PARENT INVOLVEMENT

Parents - Idaho's updated School Report Card is now publicly available! The Report Card provides information on how every Idaho public school and district is performing. We encourage you to take a look and perhaps compare our school with others in our area to see how incredibly well your students are doing. We're proud to say that once again, our school has been named a State "Goal Maker" and "Top Performer!" The data shows that our students' academic success places them at the top among their peers throughout Idaho. Congratulations to our teachers, staff, and parents for ensuring our students have, truly, the very best education possible. Go to https://www.idahoreportcard.org/ and type in Victory Charter School in the left-hand search bar to view all of Victory's performance outcomes.

Parents - Please take five minutes to complete our annual parent survey at the link: Parent - https://eprovesurveys.advanc-ed.org/surveys/#/action/281670/31102 The deadline to submit a completed survey is May 20. Thank you!

Please remember to notify the front office if your address changes during the school year so we can keep our records current. Thank you.

Lunch Account Reminder

Please make sure all lunch account balances are paid in full as we wrap up the school year. Any remaining funds will automatically carry over to the next school year.

Thank you for your attention to this!

Remember, rather than asking if your child's school day was "good," or if they "had fun," ask them specifics, such as: "What's one important thing you learned today?" "What did you read about in your class novel today?" "Who were you able to help today?"
