CHARLOTTE CATHOLIC HIGH SCHOOL

May 28, 2025

Dear CCHS Students and Parents,

Please find important information regarding the updated procedures for securing parking passes for the 2025-26 school year. **If a student has already received a parking pass for the 2025–26 school year**, **it is NOT valid**. These passes were issued prematurely and cannot be used. Even if you have already paid, ALL STUDENTS must follow the procedures listed below to secure a parking spot for the upcoming school year.

SENIORS:
Students may purchase a senior bundle through the online store for $105 until noon Friday, May 30. this week. New this year, the senior bundle includes:

- Senior t-shirt
- Parking spot
- Sidewalk chalk

To purchase a parking spot early as a part of the bundle, students must:

1. Purchase the bundle on the school store.
2. Bring the completed parking application and receipt of bundle payment to the Dean of Students office on May 29th 9:00am-12:00pm or May 30th 9:00am-12:00pm for spot assignment.
3. Pre-purchased tags, through the senior bundle, will be available to pick up at the Dean of Students office beginning August 1, 2025.

It a student wants to park near a friend, both students should report together for spot assignment. If a student is unable to attend the parking spot assignment days in May, they may send their paperwork with another student. Parking spots will be assigned based on deck selection and next best available spot in order of receipt of completed paperwork.

After May 30th, seniors may purchase parking spots July 14-18 for $90 and pick up parking tag on August 5 from 10:00am – 1:00pm. Senior t-shirts will be available for purchase when school starts for $25.

JUNIORS:
Parking spots are available to purchase between July 21-25. Students must bring a completed parking application and payment receipt to pick up parking tag on August 6 from 10:00am – 1:00pm.

SOPHOMORES:
Parking spots are available to purchase between July 28 – August 1 Students must bring a completed parking application and payment receipt to pick up parking tag on August 7, from 10:00am – 1:00pm.
