Some people who received this message don't often get email from adavis@wsav.com. Learn why this is important

Ms Godley and school staff

I would politely request a second look or change in cost for the requested documents. I am am member of the media who has been involved in dozens or foia requests similar to this one and have never been charged 100 plus dollars for an employment record. I recently did a foia for the savannah police department and obtained the documents for free on 3 different employment records. And this week was able to get a large file of audio recordings from the solicitors office for free as well.

I understand that those agencies are not yours. But I feel like the cost for an employment record in this case, for. Media representative, is somewhat outrageous. I am not asking for it for free. I well understand that there is time involved in the process but is there a way we can make this more reasonable? I am happy to take it digitally too if that would lower the cost and make both sides more comfortable.

Thanks for your attention and I appreciate you at least taking this request under consideration.

Code Ann. 30-4-30(B), the BCSD estimates search, retrieval, and redaction, if necessary, of documents to respond to your request will require approximately 2 hours, for an estimated cost of $110.50. Costs may increase or decrease. A 25% deposit of the total reasonably anticipated cost is required before work will begin on your request. Please make all checks out to the Beaufort County School District and send to the district's Communication Officer, Candace Bruder's attention.
