April 11, 2025

Dear CRES Parents and Guardians,

\*Spring break is upon us and we wish you all a happy holiday and safe travels if you are headed out of town. We look forward to returning for the home stretch of the school year on April 22.

\*Today we celebrated "Purple Up" day, a day in which we recognize and celebrate Military Children. We started out with a beautiful event at Cedar Drive Middle School which welcomed all of our military families and we then recognized all of our Military Children in their classrooms at CRES later in the day with certificates. We are so fortunate to have these students in our schools and community!

\*Our CRES Players performed 3 AMAZING shows this week. ANNIE is a classic and our students put on the best version I've ever seen. Congratulations to all of our performers and their 3 AWESOME advisors, Mrs. Auletta, Ms. Santarsiero, and Mrs. Hannen.

\*[Please click here to view the form to sign up for the Spring round of Clubs at CRES.](#)

## 🌟 5th Grade Science Expo 🌟

Get ready for an evening of discovery and innovation at our **5th Grade Science Expo** on **Thursday, May 1st, from 6:00–7:00 PM!** Our fifth grade scientists have been hard at work, and they can't wait to showcase their incredible projects. **All 5th grade students should arrive by 5:45 PM** to prepare for the event. *More information will be shared soon—stay tuned!*

**\*Attention 5th grade parents:** [Please click here for the permission form for the "family life" unit](#) coming up in Health class. We need one parent/guardian of all 5th grade parents to complete this form.

\*Our friends at Cedar Drive Middle School are preparing a special event to recognize the 60th Anniversary of providing Colts Neck students with outstanding learning experiences! They're hosting a special celebration on Thursday, April 24, and former students, staff and community members are warmly invited to join in the festivities. Let's show our support for our middle school neighbors and help them commemorate this milestone. Please RSVP using the link in the flyer to the right, and feel free to submit any special pictures that you may have of your special times as a Colt at CDMS!
