Dear CRES Parents and Guardians,

*Happy Pi Day! Please ask your students to explain Pi and how we made connections to the geometric term in school today.

*The 4th graders had a great trip to Liberty Science Center today! Their enthusiasm was contagious and their smiles before and after were amazing. Thanks to all the teachers and parent chaperones for making this event happen!

*Our Read-A-Thon was a huge success! Records were broken on all metrics with donations to the PTO totalling over \$37,000 and 25% more minutes read than last year! Students received recognition this week for exemplary participation and we are so proud to keep growing this wonderful annual event! Many thanks to everyone involved for their efforts!
