California Assessment of Student Performance and Progress

Thursday April 13 – Friday, April 14 & Monday, April 24 – Friday, April 28, 2023.

Every year California students take standardized tests to measure their progress. This year, El Puente Seniors will take the Science (CAST) test on April 13th or April 14th and juniors will take the English and Math (SBAC) tests on April 24-27. All testing is done at EPS starting at 8:30 AM. Students can choose their preferred testing proctor by going to eps.is/TestPref

STAFF SPOTLIGHT MEET ANDREA MONTELONGO

Ms. Montelongo helps students from El Puente with positive academic behavioral support. Her ultimate goal of implementing positive behavior in students day to day and to improve students' work in a school setting that will help them progress academically.

Andrea also works with the student's families and educators to set goals and work together to achieve them.
