Good afternoon Kevin,

This letter is to request that Legends of Learning be considered sole source under section 38.026 for the proposed services we are requesting including entering into a contract to provide game-based supplemental programming to all K-5 students of Waterbury Public Schools. Legends of Learning offers curriculum-based games for stronger subject mastery and classroom engagement.

Legends of Learning is one of a kind and provides a quality program that will allow K-5 students independent, game-based learning in Math and Science. These assignable, skills-based games can be used for homework or as a center activity after completion of core/tier one and tier two assignments and can also be utilized to build the Extra School Hours and Summer School programs.

With your permission we would like to continue to finalize the contract with Legends of Learning.

Thanks for your time,

Kari Nizzardo
