

Cafeteria Update

We are transitioning to a new POS (Point of Sale) system. This includes a new way of making payments on accounts. The website to view accounts and make payments will now be <https://www.schoolcafe.com/SOUTHERNFULTONSD>. Create an account and add your child(ren) to your account.

One updated feature on the new system will be that your child WILL NOT be able to charge extras if they have a negative balance. They can charge 1 breakfast and 1 lunch. Any extra will need to be cash in hand until the balance is positive.
