

CARDINAL NEWMAN SCHOOL

2023-2024 ANNUAL REPORT

redefining
EXCELLENCE

MISSION STATEMENT

Cardinal Newman School is a Catholic middle and high school whose mission is to provide an academically rigorous Christian education to young men and women from diverse socio-economic and cultural backgrounds. We challenge our students to embrace truth, pursue academic excellence, act with integrity, lead courageously, work for justice, and engage in generous service. We are a community where every student is known, the dignity of all is appreciated, and apparent and potential gifts are developed in mind, body and spirit.

Dear Cardinal Newman Community,

As the Director of Advancement at Cardinal Newman School, I am continually humbled by the incredible outpouring of generosity and support we receive from our community. Each year, through your contributions to the Newman Fund and your participation in our Days of Giving, you help make a transformative difference in the lives of our students.

The Newman Fund provides much-needed unrestricted gifts that are immediately put to use within the year they are received. These gifts enable us to respond to the school's most pressing needs, from hiring and retaining the best teachers to addressing unforeseen program or facility requirements. This flexibility allows us to seize opportunities and meet challenges as they arise, ensuring we provide the very best for our students.

Thanks to your unwavering generosity, last year we secured over \$209,000 in unrestricted gifts—a testament to the commitment and faith our community has in the mission of Cardinal Newman. This growth is a reflection of the collective dedication of alumni, parents, grandparents, and friends who believe in the transformative power of Catholic education.

As we look ahead, I invite you to join us once again in ensuring the success of our students and the vitality of our school. Every gift, no matter the size, has a meaningful impact, and together, we can continue to provide the resources needed to foster academic excellence, spiritual growth, and lifelong success for all Cardinal Newman students.

Thank you for being a vital part of our story. Your generosity is a blessing, and I am profoundly grateful for your continued support.

In Christ,

Mrs. Amy Yoho

Director of Advancement
Cardinal Newman School
