NEED TECH SUPPORT?

If you are experiencing issues with your school-issued device, please contact the support line at 484-373-6018 or email support@wilsonareasd.org. Support is available Monday through Thursday 7 AM - 3:30 PM.

Check out the DISTRICT App!

- Search Wilson Area School District App in the Apple Store or Google Play Store.
- Download and access the App for updates on WASD happenings.

SUMMER CHROMEBOOK CARE

A few reminders as we enter summer:

- Students can retain their Chromebook device over the summer and should bring their Chromebook on the first day of the 2025-2026 school year.
- You can also have your child leave their Chromebook at the school building throughout the summer.

Please keep in mind:

- Students will be permitted to keep their Chromebook upon graduation.
- Students entering Kindergarten and 5th grade will be issued a new Chromebook at the beginning of the school year.
- Students entering grade 9 will be issued a new Chromebook during freshmen orientation upon receipt of their current device.
- The guardian and student will be responsible for repair or replacement if damaged.
- If your child's Chromebook is in need of repair over the summer, please bring the device into the school building Monday-Thursday between 7:00 and 3:30 PM.
- If you have any questions about your child's Chromebook, please reach out to the school or technology department via email at support@wilsonareasd.org or 484-373-6018.

Enjoy your summer!

A Message from the Transportation Department:

- This is a reminder that bus cards will not be sent home through the mail this year.
- Bus information can be found online via your family Skyward account.
- See the picture to the right on where to access the information in Skyward.
