# WHY READ IN THE SUMMER?

## Avoid the “Summer Slide...”

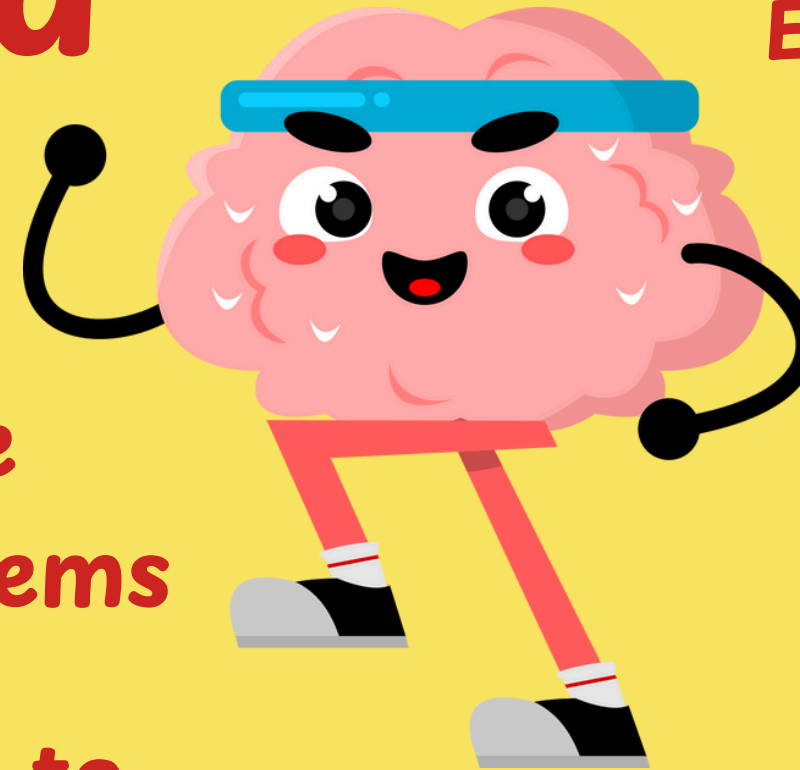

### Read

Study History

Complete  
Math problems

Listen to  
audiobooks

Complete Science  
Experiments

The more you exercise your brain during the summer, the better prepared you will be for the new school year!

# WHAT COUNTS?

If you can't keep up with the timing your reading, remember...

**One page - One Minute**  
(regardless of the type of book)

BOOKS!

MAGAZINES!

EBOOKS!

AUDIOBOOKS!

**Reading Alone**

**You Reading to  
Someone**

**Someone  
Reading to You**

**Reading with  
Someone**

**Everyone can count the minutes when you read together!**

If unable to log minutes in CCSD Beanstack, **students** and **teachers** can take a screenshot of their total minutes as of May 15<sup>th</sup> and share it with Mrs. Stephens.

**LET'S GO!**

**Read On!**

**Read! Read! Read,  
Everybody Read!**

**Read as a Family!**

Parents, you can register to win prizes from CCPL, too!
