2. Copies of the Healthy and Safe Schools Plan

Copies of the plan are available at the Beaverton School District's website at

<https://www.beaverton.k12.or.us/>. Click on Departments > Risk Management > Healthy and Safe Schools Plan.

A copy can also be requested at Beaverton School District Administration Office address located at 1260 NW Waterhouse Ave., Beaverton, OR 97006.

3. Testing Certification

Beaverton School District certifies that it is in compliance with plan components.

4. Testing Results

Beaverton School District is current with all required testing as of the date of this document. Test results can be found on the website at <https://www.beaverton.k12.or.us/departments/risk->

[management/healthy-and-safe-schools](#). Specific test results can be found under Programs for “Lead in Drinking Water” and “Radon.”

Beaverton School District will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. Please contact community_involvement@beaverton.k12.or.us to be added to current district email lists and programs.

5. Website Link Maintenance

Beaverton School District certifies that all website links for plan information and test results are current and functional.
