VUSD Athletic Philosophy

The Visalia Unified School District (VUSD) believes that an athletic program provides opportunity for students to acquire tools for lifelong personal growth and fulfillment of potential. These tools include: self-discipline, commitment to team, self-sacrifice/dedication, perseverance, and sportsmanship.

VUSD hires coaches who demonstrate the core values that support our student-athletes' social and physical development. VUSD commits to providing the broadest range of competitive programs for our student-athletes. At all times, VUSD's athletic programs will be complementary and supportive of the educational goals at VUSD.

The VUSD, as a member of the California Interscholastic Federation Central Section (CIF-CS), is committed to the exhibition of sportsmanship and ethical behaviors in and around all athletic events. All contests must be safe, controlled, fair, courteous and orderly for all student-athletes and fans. It is the intent of the VUSD and the CIF that violence in any form will not be tolerated. In order to enforce this policy, VUSD has adopted rules and regulations which set forth the manner of enforcement of this policy and the penalties incurred when violation of the policy occurs. VUSD shall require that the following Code of Ethics be issued to each student-athlete annually and will require annual signing by the student-athlete, parent/guardian, and coaches prior to participation.

VUSD Code of Ethics

All coaches, parents, and student-athletes will...

Complaint Procedure

Our athletic complaint procedure is intended to address concerns of student-athletes. General Information

Tryouts

Tryouts are an audition and a platform to demonstrate the required athletic skills for a position on a team. Tryouts are seasonal, and student-athletes should come to tryouts prepared for competition as there is no entitlement for returning players to make a team. Tryouts are only open to students who are currently enrolled at the school for which they are trying out.

Students are limited to one sport per season (case by case basis determined by Athletic Directors for each season when rosters are limited for the following Cross Country or Volleyball/Football, Wrestling or Soccer/Basketball, Track or Softball/Baseball).

Once the first contest has been played, rosters are established for the season.

Activity Code

Period of Enforcement

This activity code takes effect with the initiation of school activities in August and terminates with the last activity in June. It is also in effect at any time in which students participate as representatives of the school. Ineligibility created by suspension from activities that are not completed by the end of spring semester will be carried over for completion at the beginning of the fall semester.

Academics

In order to emphasize the importance of academic achievement, the following constitute minimum requirements for student participation in student activities.

- An overall GPA of 2.0 during each six-week grading period.
- Should an individual fall below the above requirement, a six-week probationary period will be provided to allow the student to bring up his/her grades. If unsuccessful in bringing the grades

up to the standard required, the student will not be eligible for participation in student activities during the next grading period (six-weeks) and until his/her grades meet the academic standards at the regular grade reporting period.

- Students who receive four (4) or more “unsatisfactory” citizenship marks (Rubric Score of 1) may not participate in extracurricular activities until the next regular reporting period (no probationary period). This includes after-school athletics. “Unsatisfactory” citizenship marks must come from two (2) separate teachers.

Academic Eligibility Criteria

- Eligibility for participation is determined at the end of each six-week grading period using our Report Card GPA.
- Transfer students from within the district must meet all VUSD eligibility guidelines.
- Transfer students from outside the district have one grading grace period. Former VUSD students do not have this grace period.
- Athletic eligibility is limited to two (2) years in any one (1) sport.
- Students are not declared “re-eligible” or “off probation” until the computer printout is issued (approximately two weeks after each grading period).
- Students who are ineligible or on probation with grades in the eighth grade, will enter the ninth grade on probationary status. This includes all students who are required to attend eighth grade summer school as a condition of promotion.
- Seventh grade students finishing the school year ineligible or on probation will begin 8th grade year on probation.

Attendance

Student-athletes shall be in attendance for all periods of the day of the event/practice (or in attendance the day prior on a weekend event/practice) unless excused by the Principal or Athletic Director in advance or be ineligible for the first event following administrative contact.

Physical Education Class

Students are expected to fully participate in their physical education class daily including the day of the event/practice in order to be eligible to participate.

Citizenship/Attitude

Students are expected to display satisfactory citizenship and attitude as a participant in extracurricular activities. Every incident will be treated as an individual case and judged on its own merit. The seriousness of the offense, conditions under which it occurred, and the student’s past school record are factors to be considered. The student’s athletic director/administrator reserves the right to decide the course of action that will be taken. Situations that involve administrative intervention in compliance with the Secondary School Discipline Guidelines will result in suspension from participation in extracurricular activities.

Tobacco (Vaping, Chew, Cigarettes, Possession or use of)

Each incident will involve action as prescribed by the Visalia Unified School District Conduct Code. Violations may result in suspension from participation in extracurricular activities.

Alcohol, Drugs, Narcotics

Possession, use, sale, furnishing, or being under the influence of alcohol, drugs, or narcotics, or any kind of controlled substance listed in Health & Safety Code 11053, will result in suspension from participation in extracurricular activities for a period of up to five (5) weeks.

Suspension from Participation

Situations that involve administrative intervention in compliance with the Visalia Unified School District Conduct Code will result in suspension from participation in extracurricular activities for a period up to five (5) weeks. The athletic director will be consulted in all incidents by the Administrator directly involved. The athletic director/Administrator will then notify the student and parent of the suspension from participation.

Suspension from participation in extracurricular activities is in direct proportion to suspension from school:

- 1 day school suspension = 1 week suspension from extra-curricular activity
- 2 day school suspension = 2 weeks suspension from extra-curricular activity
- 3 day school suspension = 3 weeks suspension from extra-curricular activity
- 4 day school suspension = 4 weeks suspension from extra-curricular activity
- 5 day school suspension = 5 weeks suspension from extra-curricular activity

Note: 1 day In School Suspension = is same as out of school suspension

Appeals

Appeals of a suspension from participation in extracurricular events other than academics and attendance may be made by the student to the school site administration. School site administration decisions are final.

Extracurricular is defined as those activities outside of the normal class time in which students represent the school in competition or travel.

Physical Assault

Any student, coach, or parent who physically assaults a game participant, school staff, coach, or event official shall be immediately ejected from the athletic event and could be banned for the remainder of

the season and/or year. A game or event official is defined as a referee, umpire or any other official assigned to interpret or enforce rules competition at an event.
