

# JUNIOR KINDERGARTEN SUMMER READING

Being read to is fundamental for early language and literacy development. It can also strengthen cognitive and social skills. We read a lot in JK!

Attached is a Summer Reading Log for you and your child to complete together. After reading a book with your child, have them color in one of the pictures on the page! The second Reading Log is optional but feel free to fill out as much of that as you can this summer too!

You can read a new book each time or read the same book over and over again!

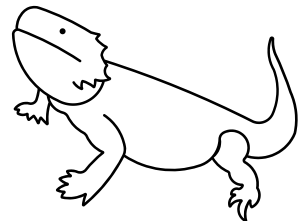

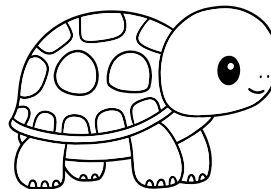

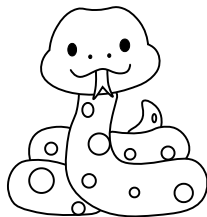

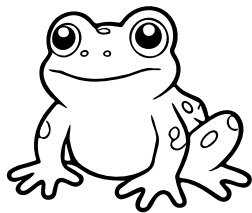

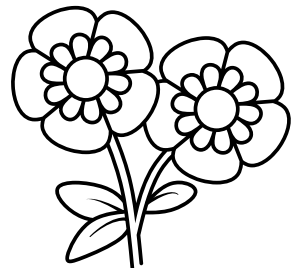

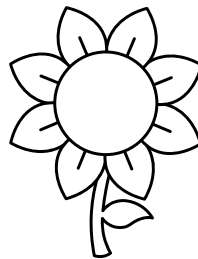

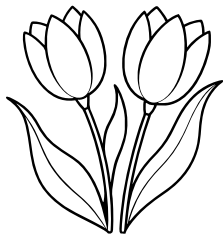

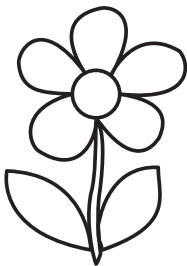

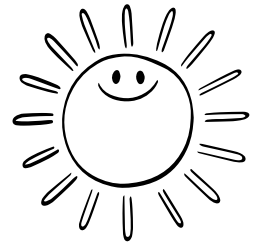

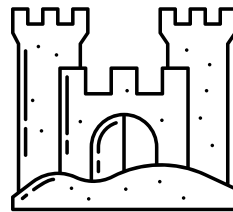

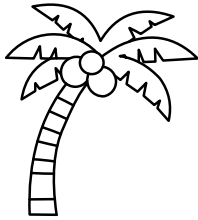

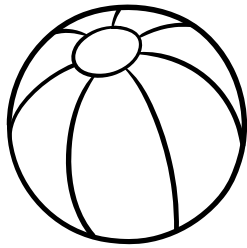

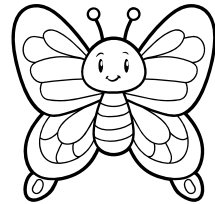

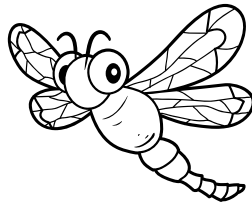

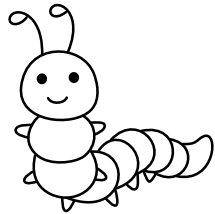

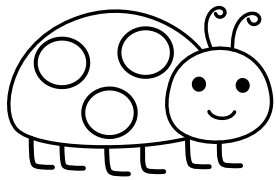

Reading logs can be turned in during the first two weeks of the new school year.

Happy Reading! We can't wait to hear about all the books that we read this summer!

Mrs. Walton and Mrs. Burgoyne  
Ms. Miller and Ms. Swiatek  
Mrs. Jago and Mrs. Donnelly
