

White House Intermediate

Blue Devil Behavior Supports - 2024-2025

The goal of The Blue Devil Behavior Supports is to provide students, faculty and staff with behavior supports, strategies and interventions for all students.

3-Tier Model for Behavior Support

Tier 1 - All Students
All students at WHI will have..... *support through Positive Behavior Supports *classroom community expectations *school wide expectations (Be Ready, Respectful and Responsible)
Tier 2 - Supplemental
Students needing supplemental support will.... *have support systems that help track behaviors, interventions and parent communication *have increased interventions
Tier 3 - Intensive
Students that need intensive support will.... *be assigned a core team for behavior support *have a support system for tracking behavior, interventions and communication *district behavior improvement plan developed

PBIS Behavior Log

Teachers will track minor behaviors on the PBIS Rewards online student behavior platform. This platform will help identify patterns, trends, early interventions as well as possible supports. Teachers and/or administration will communicate to families when minor infractions accumulate.

Office Behavior Referrals

Students will have a major behavior and/or the accumulation of minor referrals overall. This referral will include next steps and/or additional support. Administration will communicate major behaviors to families.

Positive Behavior Referrals

Students can earn a Positive Office Referral from any staff member for being Ready, Respectful and Responsible at WHI. Positive reinforcements in the classroom vary based on teacher.
