FOR IMMEDIATE RELEASE:

**Jefferson High School presents “Winter Wonderland”
7 p.m. Dec. 13 and 14, 2 p.m. Dec. 15**

Jefferson High School will, once again, usher in the holiday season with its annual holiday spectacular, Dec. 13-15.

This year’s theme, “Winter Wonderland,” will feature the singing and dancing the community has come to expect from the talented performers in the Jefferson High School choral program. But as always, the show will add some new elements to keep it fresh.

Act One will feature holiday favorites – songs like “Winter Wonderland,” “Let It Snow,” “Frosty the Snowman” and “Jingle Bells.” The act will conclude an annual favorite, the Santa Claus parade with the dancing wooden soldiers. Act Two will feature sacred, concluding with songs from various traditions, celebrating the cultural diversity of Jefferson High School and the greater Lafayette community.

Back by popular demand is the Jeff Choirs alumni and friends “Hallelujah Chorus.” Also featured in the program are the fourth-grade Holiday Choir, with students from throughout the corporation, and the JHS orchestra.

Patrons are welcome to visit the cookie walk and purchase a variety of homemade holiday treats. And the characters from the Santa Claus parade will be greeting the audience during intermission.

“We want everyone to know that this is a holiday celebration for the entire community,” says Mark Myers, Director of Choirs. “Audiences can expect to hear both sacred and secular music, as well as songs of the season performed in Spanish, Bulgarian, Yoruba, Hebrew and Arabic. We are excited to celebrate the rich diversity that is part of our community.”

Advance tickets for “Winter Wonderland” are \$12 for adults, \$15 for premium seating. Tickets at the door are \$15. To purchase tickets, visit lafayettejeff.com; scroll down and click on the microphone icon, Theater Event Tickets.
