FOR IMMEDIATE RELEASE:

Lafayette School Corp. hires new principal, GLASS supervisor

Lafayette School Corp. is pleased to announce two new appointments for the 2025-26 academic year.

Geoff Grubb was hired as the new principal of Edgelea Elementary School. Prior to his role as Assistant Principal at Mayflower Mill Elementary School, Grubb taught in LSC at Miami Elementary School for seven years. His wife, Julie, is a teacher at Miami, and his two children attend LSC. Grubb has a master's degree from Ball State University and a bachelor's degree from Cornerstone University. He is licensed in the state of Indiana as a building-level administrator as well as an elementary generalist.

"We are pleased to have a candidate whose family is so invested in the LSC and one who knows firsthand what it is to be a great teacher in our district," says Director of Human Resources Brandon Hawkins.

Grubb will replace Ana Ave, who is retiring in June.

Reagan Hall was appointed the new GLASS Supervisor. Hall was hired in 2023 as a GLASS Specialist and has held the position of Interim GLASS Supervisor since fall. Hall has served as a Director of Curriculum and Instruction at Lawton Public Schools, Principal of a Charter School USA in Kissimmee, Fla., Assistant Principal of the Indiana School for the Blind, Principal in Training in Osceola County Schools, and a teacher in Benton Community Schools. Hall holds Superintendent, building-level Administrator and Director of Curriculum licenses from the state of Indiana. She is also licensed to teach Language Arts and Reading in the State of Indiana.

Hall will assume the position of GLASS Supervisor effective July 1, 2025.
