Weaver Elementary School

Weaver Elementary School

Vision

To increase our students from sufficient to proficient

Mission

To improve student success one step at a time. Increase proficiency 2-3% each year until a minimum of 90% proficiency is obtained.

Beliefs

We believe in our school's motto: "Work hard. Encourage others. Show respect." Our educational program is designed to meet the needs of all of our students. All students deserve a safe, productive learning environment conducive to the development of academic and moral standards.

Increased engagement

Obiectives

- Students will engage in meaningful learning resulting in an increase of 2-5% on the I-ready assessment each quarter.
- Students will engage in critical thinking when working with new math concepts
- Provide meaningful Professional development to increase teacher proficiency in delivering instruction.
- Professional development to improve delivery of instruction and critical thinking for students

Professional Development

Objectives Teachers will engage in meaningful Professional development to

increase their skills in teaching. using critical thinking and best practices

Safe Learning environment

Objectives

 Teachers and students will actively seek support from one another and feel safe to ask questions, and ask for help when needed.

Critical Initiatives

- AO Times for Reading and math 1st-6th grade
- Teachers will use the Essential Skill Inventory K-2 as a formative assessment to ensure students gain foundational skills

Critical Initiatives

 Teachers will attend conferences and receive district PD to enhance and grow their teaching skills in math and reading helping students attain proficient rather than sufficient knowledge

Critical Initiatives

- Monthly PST meetings to ensure we know which students are at risk and share ideas on instructional strategies to improve learning.
- Review of CHAMPS initiative to ensure continuity in behavior
