Champions Before and After School Programs

Champions, a division of KinderCare Learning Companies, is pleased to provide their Cognia accredited out-of-school-time program for the Middletown Township School District. Champions is designed to provide children with a safe, caring, fun, and enriching “home away from home” during their out- of- school-time hours.

Guided by passionate teachers, children in the Champions program will have the opportunity to explore their curiosity and interests and build confidence and community through hands-on projects and activities. Champions provides dedicated time, space, and supplies for homework—with caring teachers who support and encourage each step of the way.

Champions offers daily fitness and snacks, helping children build healthy habits through balanced nutrition and active play.
