		___ 805963	Ag Fabrication & Biosystem/SHOP*		
		___ 805951	Landscape & Turf Science*		

Students who request & are approved for Honors, Dual Enrollment, or AP will NOT be able to drop a course level (per County Curriculum Guide). They must stay in the level they requested. Students may not drop a course or level because they change their minds, didn't do summer reading or desire a different teacher or schedule. I am aware that my student's elective choices are based on availability, which begins with seniors and we realize alternates may be used.

My student and I have read and understand the course catalog and the information on this card and agree to the county policies. My student's elective choices are based on availability, which begins with seniors and we realize alternates may be used.
