GRADING AND RANKING

Grade point average for class rank is calculated using a 100-point scale for all courses that have been completed for high school credit. This includes any courses offered at the middle school for high school credit. Student rank is based on a 100-point weighted GPA, with Advanced Placement being weighted by 10 points and Advanced and Dual Credit courses weighted by 5 points. CTHS provides class rankings for all students.

A = 90-100
B = 80-89
C = 70-79
F = Below 70
I = Incomplete
