# TECHNOLOGY
Justin Kuck, Director

Department News

The Technology Department continues to bring the best opportunities possible to our students and our teachers while maintaining everyones online safety.

Meet the Team

WCS has four dedicated department staff members to support the districts' technology needs.

By the Numbers

4000	**20**
Chromebooks maintained for use by our teachers and students	programs integrated for seamless student and teacher access

Questions?

Frequently Asked Questions

- **What should my student do if they have an issue with their Chromebook?**
  - Please report the issue to their teacher. Some of our buildings have student tech teams that can assist with troubleshooting Chromebooks.
- **How can I access my Infinite Campus Parent Portal?**
  - You can email TechHelp@wcsrams.org with your student's name and building, or contact the staff in your student's building directly.
- **How can my student access learning resources over the summer?**
  - Ask your student's teachers for directions to access the Clever Dashboard to continue learning all summer long.
