U Unsatisfactory

Language Fluency Information

Years in Program
Program/Instructional Setting
Services Received
CELDT 2013-2014 Proficiency

Fluency Information is provided
for all students initially
identified as English Learners.

Effort Indicators reflect the
level of your child's effort in
each skill area.

Progress Indicators reflect your
child's achievement of the
skills, strategies, and concepts
taught in each content area
during each grading period.
They range on a scale of 1-4 in
alignment with Common Core
scoring guides and Smarter
Balanced Assessment levels.

Progress in **English Language
Arts and Literacy** is reported in
each strand/area of focus.
Individual standards that are
assessed in each area can be
found at www.cde.ca.gov/re/cc

Progress in **Mathematics** is
reported in each domain. The
individual standards that are
assessed in each domain can
be found at
www.cde.ca.gov/re/cc

The **Science** and **Social Science**
sections report your child's
progress on the skills,
processes, and concepts taught
in each content area during
each grading period.

The **Physical Education**,
Visual/Performing Arts, and
Technology, sections report
your child's progress on the
skills taught in each content
area during each grading
period.
