

## **2026 Washington D.C. Trip**

### **Overview and Expectations**

#### **Introductions**

Mr. Eoghann Stephens will be the trip leader for the 2026 Washington D.C. Trip. We will also have numerous teachers and an administrator with us throughout the trip. Jenna Waldman is our representative from Corporate Travel.

#### **Overview**

The 8th grade trip to Washington, D.C. is something that we provide in order to enhance the Social Studies content learned throughout the year. It is a 3 + day trip that tours in and around the D.C. area by bus. Some of the sights that we might see are included in the Washington D.C. flyer.

#### **Eligibility**

The teacher chaperones, as well as school administrators, have high expectations concerning student behavior. Student travelers are representing Frost Middle School as well as the Livonia/Westland communities.

Therefore, if a student receives any of the following for a MAJOR INFRACTION (examples include but are not limited to, fighting, harassment, insubordination, sexual offenses, or illegal actions) in the months preceding the Washington DC trip, as well as those who have received out-of-school suspensions, may risk forfeiting their opportunity to participate in the trip. The administration will convene and review all incidents mentioned above to discuss whether such students may still be permitted to travel.

Another important thing to note is that this trip is also very physically demanding. We leave the hotel early each morning and do not return until late. There is a great deal of walking; as much as 10-20 miles a day, depending on the itinerary.

With that being said, we have always had a fantastic experience going to D.C. Students come back from high school and even college talking about the memories that they have from their trip to D.C. We have many repeat families attend this trip every year.

## Cost of the Trip
