

Coming in Summer 2025

Counselor in Training (CIT) Program

Eastern Suffolk BOCES is excited to announce the Summer Enrichment Counselor in Training Program in Summer 2025 for students in grades 7 - 12. This CIT program is designed to serve as a transition from camper to counselor. The program will prepare participants to become enthusiastic, motivational and responsible leaders.

This fantastic opportunity will provide teens with the chance to develop their personal leadership style, sharpen their communication and problem solving skills, and gain valuable professional development that will help them succeed in school and beyond. The CIT training program will build character, creativity, responsibility and independence and increase self-confidence and self-esteem.

Participants will be given the opportunity to join the Summer Enrichment program to help facilitate enrichment activities and special events with small groups of younger students alongside certified teachers and camp counselors.

If you're interested in registering your child for the CIT program, email summerenrichment@esboces.org and provide your name, email address, phone number, and your child's name, and grade to ensure a spot in the program, and we will send you information when registration begins. For further inquiries or assistance, you may also contact our Summer Enrichment Office by calling (631)244-4293.

Open to all high schoolers in grades 9 and up

Field trips, Swimming, and T-shirt included

Any questions, please contact the Summer Enrichment Office @ (631)244-4293 | summerenrichment@esboces.org
