

LITES

LONG ISLAND TECHNOLOGY & EDUCATION SUMMIT

Eastern Suffolk BOCES, Nassau BOCES, and Western Suffolk BOCES invite all K-12 educators to participate in the Long Island Technology & Education Summit (LITES). The focus of this conference is to promote the use of technologies to enhance critical thinking, problem solving, creativity and imagination in the classroom. The Long Island Technology & Education Summit is a platform for sharing new ideas, innovations and trends. This highly regarded annual conference has grown into a premier event for Long Island educators.

Introducing keynote speaker **Steve Bollar**, an amazing speaker, trainer, consultant and coach.

Steve, aka **Stand Tall Steve**, is an educational leader and master motivator. Steve works with forward-thinking organizations to generate new ideas, improve climate/culture and maximize leadership skills. His quick wit, experience, and in-depth knowledge make him one of the premier speakers, trainers, and consultants available.

Let Steve transform your organization into something amazing!

Highlights of the Long Island Technology & Education Summit include:

- Breakout sessions focusing on artificial intelligence, blended learning, curriculum and instruction, data security and privacy, computer science and digital fluency, personalized learning, and social and emotional learning.
- Resources and best practices that can be integrated into the curriculum.
- Vendors available to discuss technology integration options.
