Dear Dr. Tyson,

Thank you for your submission of the charter petition for the ***Tapestry Public Charter School Clayton, Tapestry Site Visit/School Tour and for Tapestry's participation in our Capacity Interview held on March 20, 2025.*** After a careful and thorough review, the Clayton County Public Schools Charter Review Committee has reviewed your charter petition that was submitted by the February 28, 2025 deadline and found your petition adequate and provides enough details that convince the Committee that Tapestry will be viable and successful. Our recommendation to the Superintendent and Board of Education for Clayton County Public Schools is to approve your petition application. Please note, the Clayton County Board of Education authorizes charter schools and has the final vote to approve or deny a charter school petition.

Next steps, the Charter Review Committee and Superintendent will share this recommendation with the Clayton County Board of Education on Tuesday, May 27, 2025 at 6pm. The Board meeting will be held at the Clayton County Administrative Complex located at 1058 Fifth Avenue, Jonesboro, Georgia 30236. You are welcome to attend or watch the proceedings via our CCPS Youtube Livestream. Should you have any additional questions, please email me. I wish you the best!

Sincerely,

Dr. Chantara Rumph-Carter, Director of MSAP and Charter Schools
