Parents or Guardians of Kaneland Harter Middle School Library Patron:

Student name and ID number

Your student wishes to check out a Kindle e-reader from the middle school library. Because of the high replacement fees associated with these units, parental approval is required. Please complete the form below and have your student return to the middle school library. The check out time is 3 weeks and overdue fees of **1.00 per school day** do apply. Many titles are preloaded onto the units; **students may not add titles from the Kindle Store**. The Kindle is an electronic device which has the capability to be a web browser outside of the middle school campus. Parents need to be aware that your student could access internet sites if using a wi-fi connection at a public place.

The unit is housed in a padded leather case which will help to protect it, if used properly. Your student will be instructed in proper usage techniques and will be expected to exercise care when handling to prevent damage. **The student will be responsible for the cost of any unauthorized downloading to the unit.** Replacement cost, if lost or damaged, will be approximately \$85.00 plus any costs associated with lost materials.

Please sign and return this form to allow your student the opportunity to check out Kindle e-readers:
