A STEP-BY-STEP GUIDE

youthquake.briercrest.ca

WELCOME

Dear Youth Pastor,

We are so excited for you and your group to be with YQatHome for February 2021! We are looking forward to seeing what God does this February through Youth Quake even though it looks completely different than years past. It's hard to believe that this will be the 57th year of Youth Quake and it's all completely online. Even though we are not physically together this year, know that we are still Here4U. This guide will hopefully help you with all of the planning details and answer any lingering questions you have about YQatHome.

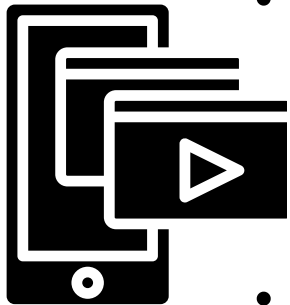

We want to thank you for your continued support and hope this year it feels like YQ has come to you. If you ever have questions or need any help, please don't hesitate to reach out by emailing yq.briercrest.ca. Someone from our YQ team would be happy to help you!
