LEARN THE MARINERS WAY! – Game fundamentals, the latest techniques, hustle, and class! Reach your potential and have a blast!

OUR CAMPERS – range from beginners to "All-Stars." We group based on age, ability, safety and social factors. Our primary goal is to ensure each has a positive experience and learns the game. We are experts in coaching the game and working with kids. Each camp has a dedicated coordinator on site.

PROFESSIONAL INSTRUCTION – Personalized and group coaching from professional educators and instructors. Position-specific training in all facets of the game. Instruction, drills, and games to take camper's game to the next level.

TOTAL PLAYER DEVELOPMENT – We focus on character development – called double-goal coaching. Players who develop strong personal character perform better at the game and in life.

GAME CULTURE – Our camp is deeply immersed in the culture of the game. The game is so much more in addition to what's on the field!
