When do I call
988 vs. 211
vs. 911?

How to Navigate Community Resources

✓ **AIM Tool**

[Assisted Intervention Matching \(AIM\) tool](#) will guide you through a series of questions to help you find services for the specific behavioral health needs of a child (mental health and/or substance use) or parent-focused services to promote child wellbeing.

✓ **Community Pathways**

Community Pathways is a warm line that helps families in navigating children's behavioral health services and community-based supports. The program offers live, knowledgeable, and supportive staff that assist families with referrals, resources, and tools. For information please visit [this link](#) or call 877-381-4193 (option 1)
