SAFETY
PLAN

**MISSION
STATEMENT**

“We, the Sequoia Union Elementary School District, are committed to the development of students with high moral integrity, academic excellence, and self-worth in a safe and supportive environment.”

The Safe School Plan is developed by the Sequoia Union School Site Council which includes parents, staff, community members and the administration. The School Site Council and the School Board will continue to update the Safe School Plan on a yearly basis.

SAFE SCHOOL PLAN

Goal Statement

The goal of the Sequoia Union Charter Elementary School and the Sequoia Union Elementary School District is to provide all students with educational and personal opportunities in a positive and nurturing environment which will enable them to achieve current and future goals.

We strive to ensure that all students be accepted at their own social, emotional, and academic levels of development and to challenge all students to maximize their growth in these areas.

We work to devise teaching strategies and learning activities that systematically promote the further development of reading, writing, and math problem-solving skills.

We enhance classroom instruction through the use of a variety of instructional strategies with an emphasis on inter-active learning and the use of technology.

We provide all students with a supportive, nurturing environment which emphasizes self-esteem, encourages learning, enhances the appreciation of cultural diversity, and promotes moral and ethical standards as important criteria for decision-making and behavior.

PERSONAL CHARACTERISTICS OF STUDENTS AND STAFF

Social Service support systems are coordinated through the Superintendent-Principal and needed services to students who are struggling academically, socially or emotionally are provided through a contract and a grant with Tulare County Office of Education for Counseling services through two Licensed Marriage Family Therapist's (LMFT).

Curriculum and special programs are designed and modified to address issues relevant to identified student needs (e.g. struggling with making friends, social media, bullying, gangs, broken family structures).

Free school lunch and breakfast programs are available to all students with minimal intrusion on the family and no identified labeling of students receiving free or reduced priced meals.

Cultural integration efforts are incorporated in classroom activities and through teacher directed lessons.

The School's Physical Environment

The cooperation of nearby neighbors is excellent. Community members notify the school or the Sheriff's Department when anyone is observed loitering during the school day. The campus is used on a regular basis by the community, so there is a sense of ownership by all. As a result, vandalism is almost nonexistent.

Campus security is coordinated with local law enforcement agencies.

All school visitors are encouraged to report to the school office to sign in for a Visitor or Volunteer Badge. Any items being dropped off to students must be brought to the office. If a staff member sees a new visitor on campus, they are to instruct them to go to the office to sign in.

The school has adequate fencing and appropriate protections against slipping in hallways and against falls from recreation equipment and landscape designs that prevent students from climbing to dangerous heights. Video surveillance cameras are positioned throughout the campus with a monitor in the Campus Safety Supervisor, Director of Technology, and Maintenance Director's offices, to view at all times. Sequoia Union school bus drivers have a radio and a cell phone in which to communicate with the office if necessary.

Sequoia Union uses an automated telephoning system to contact all parents regarding bus updates and any other information that needs to go out to all parents. Using this system, all parents can be contacted by phone in approximately fifteen minutes. The school also has a staff, teacher and parent group texting system in place through "Dojo". The Superintendent-Principal can send out a text to notify all/any group of a crisis or any other event on campus.

The School's Social Environment

The Superintendent-Principal provides strong leadership, is readily available and highly visible on campus and in the community, and has a positive attitude in working with staff, students and parents. The Superintendent-Principal seeks and wants ideas and suggestions from the staff, students, parents and the community.

Sequoia Union's staff, students and parents actively participate in goal setting and are involved in the decision making process on important school issues.

Classroom environments enhance learning and positive interaction among students and staff. Classrooms are orderly. There is maximum use of instruction time.

Personal and social skill development, self-esteem, self-identity, goal setting and effective communication is incorporated in all subject area curriculum and lessons.

Parents are involved in decision making and policy formation; the home-school relationship is positive. Staff, students, parents and community members have a strong sense of school ownership. Parents and the community are encouraged to become involved (PTC, SSC, and other various parent committees).

Cultural Environment

The school's rules are realistic, practical, fair and consistently enforced. Behavioral expectations are clearly stated in the Student Handbook, at parent conferences, parent meetings and to the staff and students on a regular basis. The school models high moral standards, sends positive messages to students, and communicates high expectations of all students that they will excel academically and behave properly. Programs are in place to help foster both character, academic outcomes, respect for diversity, personal and social responsibility, effective interpersonal and communication skills, self-esteem, anger management and conflict resolution.

Learning and productivity are valued, and success is expected of everyone. Students and staff want and expect class time to be used efficiently and effectively.

Students and staff are concerned about what happens to each other, and accept responsibility for what happens at school. A working relationship exists between students and staff. Students feel comfortable going to staff members or administration with a concern or question. The administration has an open-door policy which encourages parents, students and staff to bring their questions and concerns forward.

The administration and the staff, work hard to make Sequoia Union a place in which everyone belongs and feels safe. The school maintains a policy where gang symbols, dress and activities are not tolerated. Sequoia Union's students, staff, and community members work together to reinforce positive feelings and behaviors.

Safety Precautions

Sequoia Union's School has procedures and drills in place for the following: Fire/Evacuation, Duck and Cover Earthquake, and Lock Down (Intruder on Campus). Sequoia Union has procedures in place for the following: Missing Student, Shelter in Place, and Outbreak of disease or infection. The staff is trained on these drills/procedures annually as well as practiced school wide monthly or quarterly. Each of these procedures/drills are outlined in the schools Emergency Preparedness Plan, which is only distributed to staff for safety reasons. The Plan includes roles and responsibilities for staff members and students. For any emergency drill or procedure, adaptations for pupils with disabilities will take place. Those students will be tended to by classified staff or the Resource Teacher. The staff is aware of the classrooms and locations of those students. Also in the plan is a staff buddy system. In case a staff member is not available to tend to their students in an emergency situation, the buddy staff member would be responsible for tending to them. This safety plan is updated, approved by the School Site Council, school board and reviewed annually.

The Administration evaluates suspension/expulsion data, behavior referrals, attendance rates and the Annual Student CORE Spring Survey data to assess the status of the school's crime committed. This information is reviewed by the Superintendent-Principal. To ensure a safe campus as well as a safe facility, the Superintendent-Principal and Maintenance Director completing the "Facility Inspection Tool", prior to the start of the school year. Students in grades 4-8th grade complete a "CORE Spring Culture & Climate Survey", annually. This survey asks the students questions ranging from their own personal level of physical activity, their sense of being safe to and from school as well as while on campus, their personal connectedness and

comfort with the staff and questions regarding bullying. Parents complete a school survey every other year indicating their concerns and questions.

Special Notations to Parents

The following sections are presented in order for the parents of Sequoia Union School to acquire an understanding of some California laws that pertain to school-aged children.

Electronic Signaling Devices/Cell Phones

Education Code section 48901.5 states that no school shall permit possession of, or use of, any electronic signaling device that operates through the transmission or receipt of radio waves, including, but not limited to, paging and signaling equipment, without prior consent of the Administration. This pertains to students while on the school campus, while attending school sponsored activities, or while under the supervision and control of school district employees. No pupil shall be prohibited from possessing an electronic signaling device that is prescribed by a licensed physician or surgeon for health reasons.

Cell Phone are allowed on campus by law; however, it is the policy of Sequoia Union Elementary School District that ALL electronic devices, including Cell Phones, be turned off (not on silent or vibrate) while on campus. Additionally, these devices CANNOT be displayed during school hours (they should not be visible or in the pocket of a student). Additionally, Sequoia Union Elementary School District prohibits text messaging in the classroom or anywhere on campus unless allowed by a staff member.

Abuse of School Personnel

Education Code section 44811 states that every parent or guardian or other person whose conduct in a place where a school employee is required to be in the course of his/her duties materially disrupts class work or extracurricular activities, or involves substantial disorder, is guilty of a misdemeanor.

Loitering

Penal Code 653g states that every person who loiters about any school or public place at or near where children attend or normally congregate, or who reenters or comes upon such a school or place within 72 hours after being asked to leave by the administration is a vagrant and will be guilty of a misdemeanor.

COMMUNICATION WITH PARENTS

In the case of an emergency, the school's automated phone system will notify parents along with radio stations, School Website, and TV channels will carry emergency information, messages regarding school closure or early dismissal, and other related information as well as a text message from the school, through "School Messenger" and social media sites (Facebook, Instagram and Twitter).

Parents should be asked not to jam the telephone lines or drive to school to pick up children at a time of crisis. Parental awareness of a school emergency plan should encourage family and home preparedness. A committee of parents (School Site Council) reviews the school's safety plan annually.

Date

Dear Parents:

We want you to know that Sequoia Union Elementary School District has plans and preparations for major emergency situations. We believe that the reactions of people in emergencies depend largely upon their training. Our school staff has been trained for a variety of emergencies, and we hold drills regularly to make certain that the students understand emergency procedures.

Please convince your children that they are as safe at school as they are at home in a serious emergency. School buildings have been designed with safety in mind, and inspections are made regularly to remove possible hazards. There are personnel trained in first aid. Our primary concern, in the event of emergency, is the safety and welfare of the students.

Your children should be instructed to obey the directions of their teachers and of the bus driver on the way to and from school, if they ride the bus. If walking or riding bicycles to and from school, they should be told to continue toward their destination (either to or from school) when an emergency arises.

In an emergency, we ask your cooperation in doing the following:

- PLEASE **do not** telephone the school. Telephone lines will be needed for emergency communications.
- PLEASE **do not** drive to school. Streets should be kept clear and open for emergency vehicles.
- PLEASE **DO** turn your radio on to AM 580 and local TV station channel 18.
- Look for a text message from the school (if you have signed up for the “Remind” group). Also follow Sequoia Union on our Facebook account.
- Keep your phone number updated at the school in order to receive the Automated System phone calls.

Information and instructions for getting together with your children or picking them up will be broadcast on the radio during or after an emergency. In conjunction with the Office of Emergency Service, we urge every family to make home emergency plans and preparations. Some suggestions are enclosed for your consideration.

If you have any questions about our emergency-preparedness program, please contact our school.

Sincerely,

Ken Horn
Superintendent-Principal
