

**Sundale Union Elementary School  
Transportation Plan  
2022-23 & 2023-24**

**1. Enter description of transportation services offered to pupils, and how it will prioritize planned transportation services for pupils in transitional kindergarten, kindergarten, and any of grades 1 - 6 inclusive and pupils who are low income. Plan may provide for the LEA to partner with municipally owned transit system to provide services to middle and high school students. An LEA may provide no-cost transit passes to students.** The Superintendent or designee shall design transportation routes and stops within district boundaries that promote student safety, maximum efficiency in the use of buses, and decreased traffic in and around the schools. With the Governing Board's authorization, transportation services may be provided or arranged by the district for:

- Students traveling to and from school during the regular school day (Education Code 39800)
- Field trips and excursions (Education Code 35330)
- School activities, expositions or fairs, or other activities determined to be for the benefit of students (Education Code 39860)
- Matriculated or enrolled adults traveling to and from school, or adults for educational purposes other than to and from school (Education Code 39801.5)

**2. Enter description of LEA's transportation services that would be accessible to pupils with disabilities, and homeless children and youth.** The Governing Board desires to meet the transportation needs of students with disabilities to enable them to benefit from special education and related services. The district shall provide appropriate transportation services for a student with disabilities when the district is the student's district of residence and the transportation services are required by his/her individualized education program (IEP) or Section 504 accommodation plan. The specific needs of the student shall be the primary consideration when an IEP team is determining the student's transportation needs. Considerations may include, but are not limited to, the student's health needs, travel distances, physical accessibility and safety of streets and sidewalks, accessibility of public transportation systems, midday or other transportation needs, extended-year services, and, as necessary, implementation of a behavioral intervention plan.

The Superintendent or designee shall provide IEP teams with information about district transportation services in order to assist them in making decisions as to the mode, schedule, and location of transportation services that may be available to each student with disabilities. The IEP team may communicate with district transportation staff and/or invite transportation staff to attend IEP team meetings where the student's transportation needs will be discussed.

Transportation services specified in a student's IEP or Section 504 plan shall be provided at no cost to the student or his/her parent/guardian.

**3. Enter description of how unduplicated pupils, would be able to access available home-to-school transportation at no-cost to the pupils.** The Superintendent or designee shall provide transportation to homeless students in accordance with law, Board policy, and administrative regulation. When the student resides outside of district boundaries, the Superintendent or designee shall consult with the superintendent of the district of residence to apportion the responsibility and costs of transportation. (42 USC 11432)  
The Superintendent or designee shall collaborate with the local child welfare agency to determine the provision, arrangement, and funding of transportation to enable foster youth to attend their school of origin when it is in the student's best interest to do so. (20 USC 6312)

**Consultations:**

Enter description of the required plan consultation with classified staff, teachers, school administrators, regional local transit authorities, local air pollution control districts and air quality management districts, parents, pupils and other stakeholders. Annually at PTO, SSC and School Board meetings each program is evaluated in detail along with program effectiveness and improvements. Throughout the year program activities are discussed and suggestions made.
