October 20, 2022:
Introduction of Council members
Discussion of the council's purpose and goals

Notes: The council's primary focus will be to improve transition at every stage in the educational process. Suggestions included job readiness, moving from Preschool to

kindergarten with maximum inclusion, and needs for students participating in alternate assessment having adaptive, social and self-help instructional opportunities.

January 19, 2023:
Review of minutes for 10/20/2022 meeting
