Additionally, if HLPAE determines that a student has withdrawn or is no longer in attendance, the appropriate refund will be calculated and processed without any action required by the student.

When a refund is due, HLPAE processes it within 45 calendar days of either the student's last day of attendance—if written notification of withdrawal was provided—or the date on which the institution determines that the student has withdrawn. Students should allow up to six weeks for the full refund process to be completed.

In cases where a student enrolls but does not begin class, HLPAE retains no more than one hundred dollars of any tuition and fees paid in advance, in accordance with COE regulations.

Certain fees and materials are non-refundable. These include missed classes, insurance fees, textbooks, materials and equipment fees, and uniforms. These items are considered the student's property once issued and cannot be returned for credit.

Hacienda La Puente Adult Education has a policy of providing reasonable accommodations to qualified students with a disability according to Section 504 of the Rehabilitation Act and Title II of the Americans with Disabilities Act to ensure that there will be no discrimination based on student disability.

Accommodations are adjustments made for students with disabilities in order to allow them to access the same educational experiences as their peers. The purpose of accommodation is to allow equal access to the curriculum for all students.

- Students with a disability are responsible for providing documentation from the appropriate medical or psychological personnel and should make an intake appointment with HLP AE administration prior to enrollment.
- Policies for required documentation vary according to the disability. The documentation must clearly identify the disability and provide sufficient information regarding the limitations of the disability in order to permit HLP AE to make a determination as to whether the requested accommodation is appropriate. The HLP AE administration will be responsible for determining, based upon the evaluative data, what those accommodations should be on a case-by-case basis.
- Accommodations will be determined based upon the documentation of the disability. It is important to have the documentation state how the disability affects academic performance.
- After accommodations have been established by HLP AE administration a letter will be presented to the student describing the accommodations for which he/she qualifies to receive for each class the student is enrolled that semester. A confidential letter will also be presented to the instructor describing the accommodations for which the student qualifies in that class.

4) Withdraw from Program:

(See also R2T4 Policy)

A student will be officially withdrawn from HLP AE for any of the following conditions:

- The student notifies the school they are withdrawing
- Administrative Withdrawal for failing to meet SAP after being placed on Probation. (See also "Dismissal from Adult School" above.)
- The student exceeds the minimum allowed absence.
- The student never starts the program once registered.

Students receiving Title IV funds, before withdrawing, should contact the Office of Financial Aid to determine the amount of Federal Aid that must be returned. Federal Student Aid may not cover all unpaid charges due to HLP AE upon the student's withdrawal.

5) Re-Enrollment

A student who was previously Administratively Withdrawn (dismissed) from HLP AE may not re-enroll in any of the CTE programs without prior approval from the Director.

Satisfactory Academic Progress (SAP) Policy:

Satisfactory Academic Progress (SAP) is a measure of whether a student is progressing toward completion of his or her course of study and determined in terms of grade point average and/or course completions. Students must maintain satisfactory academic progress (SAP) to receive Title IV funds. The Federal Pell Grant Award is proportional to a student's attendance and requires satisfactory progress under the institution's standards and practices.

Progress is defined as passing all course objectives as defined in the course-outline for each course and progressing towards the completion and certification of any eligible course in a satisfactory period. Students will demonstrate a basic competency of instructional units through successful completion of assignments as determined by assessment and objective evaluation. Student progress will be assessed monthly, or at the end of a course session, or semester, or the end of a payment period or period of enrollment. At each point, students must meet the following standards:

- **Qualitative Standard:** The minimum passing score for students is 75%. Scores below 75% require additional study and retesting. Tests may not be repeated on the same day. Students will have an opportunity to complete all units of instruction within a one-year period. Any additional time required must be approved by the class instructor. Grades for CTE courses may vary, but are completed on a percentage basis and can be no less than 75% (see grading percentage below):
 - 90% - 100% = A
 - 80% - 89% = B
 - 75% - 79% = C

Less than 75% is failing

Homework and examinations are mandatory and must be complete and on time for full credit. Late work, including work returned as incomplete, will lose credit. Late exams will be permitted only with the instructor's permission and may lose credit.

Failed course work may be repeated per course syllabus. Students failing to meet SAP may be Academically Withdrawn from a program.

Repetition of failed courses will be permitted only if class space is available and approval by the Director, Adult Career and Technical Education. (Refer to Incomplete or Repeating Coursework Policy)

- **Quantitative Standard:** Students must have completed the total number of hours required for each course of study as indicated on the course outline or as published in the School Catalog, or School website. (*Refer to Attendance Policy*).
- School Catalog, or School website. (*Refer to Attendance Policy*).

Students are required adhere to the school's attendance policy below:

- Full-time status (minimum of 30 hours per week)
- Evening courses are (minimum of 14 hours per week)

1) Financial Aid (FA) Warning:

A student who is receiving Title IV Funds who begins to have difficulty meeting either the Qualitative and/or Quantitative standards set forth by the school's SAP policy will receive the statement "Financial Aid Warning" (FA Warning) on their student enrollment record for the payment period or period of enrollment in which the FA Warning is issued.

The class instructor will notify the Attendance Clerk by submitting a form indicating the reason or reasons why a student has been given a FA Warning. The Attendance Clerk will notify both the financial aid office and school counselor by providing each with a copy of the FA Warning. The school counselor or the financial aid office may initiate a meeting with the student or contact the class instructor to determine if the FA Warning has been resolved.

To resolve the FA Warning a student must do the following:

- Meet with their class instructor to review or resolve whatever concerns caused the student to be given a FA Warning.
- Complete the payment period or enrollment period successfully, which is defined as meeting Satisfactory Academic Progress (SAP).

2) Student Probation:

Students who fail to make satisfactory academic progress (SAP) or earn a cumulative grade point average below 2.0 during or at the end of a payment period or period of enrollment will be placed on academic probation. Students placed on probation are not eligible to receive Title IV aid (Federal Pell Grant) until SAP is met. The statement "Student placed on probation" will be placed on the student's ASAP record.

A student on academic probation is required to meet with a counselor and will be required to develop a Student Academic Plan. If a student is receiving Title IV aid, the financial aid office will also be notified, and a copy of the student's academic plan will be placed in the student's financial aid file.

3) Administrative Withdrawal:

A student on probation who fails to attain satisfactory academic progress (SAP) or earn a GPA of 2.0 or higher at the end of the payment period or period of enrollment for which they were placed on probation will be administratively withdrawn from HLP AE.

A student may also be Administratively Withdrawn from HLP AE for any of the following acts:

- Cheating on exams/test or assignments
- Disruptive behavior in class or on campus
- Behavior which jeopardizes the physical or emotional well-being of students, instructors or others.
- Plagiarism or claiming that another person's work or ideas were yours without giving them proper credit

- Knowingly providing false information, verbally or on paperwork
- Using, selling, and/or possessing illegal drugs or legal drugs without a valid prescription
- Carrying and/or using a gun, knife, or other weapons on campus
- Drinking alcohol on campus
- Other Criminal offenses both on- or off-campus, including but not limited to the following:
 - public indecency
 - sexual offenses/ sexual assault
 - Stealing
 - Destruction of school property or another student's property
 - Harassment, bullying, threats, intimidation or repeated disrespect toward students, instructors, or school staff.
 - Fighting (physical altercation)

(See also Civility Policy in Student Handbook)

Students receiving Title IV funds who are Administratively Withdrawn from HLP AE will have all future financial aid payments canceled. R2T4 will be performed, and a calculation of student earned Title IV funds will be determined. Any unearned Title IV funds must be returned to the Federal Student Aid programs. If Title IV funds have already been paid out to the student for the payment period, the student was Administratively Withdrawn, the student will need to return the funds received. An Overpayment will also be reported to the National Student Loan Data System (NSLDS) until the student has returned the unearned portion of Title IV funds received. It is important to note: the total Title IV funds earned may not be enough to cover the institutional charges for the period of enrollment. When this occurs, the student is responsible for any outstanding charges not paid to the school through the student's Title IV funds.

4) Appeals:

Students who are found to be out of compliance with the standards for satisfactory academic progress (SAP) and placed on academic suspension may appeal such a decision. A written appeal must be submitted to the Director of Career Technical Education (CTE) outlining the basis of the appeal along with supporting documentation for the appeal. The appeal must be submitted within 10 business days of the academic suspension. The CTE Director will rule on the student's appeal and inform the student in writing of the decision.

- Students reinstated upon appeal will be placed on Academic Probation until SAP is met or the student meets the minimum conditions and/or requirements set forth by their Student Academic Plan.

5) Incomplete or Repeating Course Work:

If a student receives an incomplete grade or fails to complete course work for which he or she has received Title IV aid, they are not eligible to receive Title IV aid for repeating coursework. All course objectives must be completed to receive a Gold Certificate. The receipt of a Blue certificate(s) is not evidence of having completed a training program in its entirety.

A student may receive Title IV aid for a previously "completed" course if they are eligible for Title IV aid and have not reached the maximum Pell Lifetime Eligibility Used (LEU) calculation of 600%. (www.studentaid.gov)

6) Maximum Time Frame (MTF):

To maintain eligibility for Title IV aid, students must complete their program within a maximum time frame not to exceed 125% of the published time required to complete each program. The normal length of time to complete each program varies and is defined in clock hours (see COE and Title IV Approved Programs list below). Course Clock hours are approximate and exclude all holidays and dark weeks throughout the academic year. (Please reference the current school calendar for approximate holidays and school dark weeks.)

Return of Title IV Funds (R2T4) Policy:

Federal regulations require the financial aid office to apply a formula established by the U.S. Department of Education, titled R2T4, to determine the amount of federal financial aid a student has earned as of the date the student's withdrawal.

When a Student Withdraws or is Academically Withdrawn from Hacienda La Puente Adult Education (HLP AE), the amount of Title IV earned and unearned aid will be determined. The date of withdrawal or last date attended will be used according to the school records generated by the school's attendance system (ASAP). Students withdrawing from school during a payment period before the completion of "more than 60%" of their Clock-hours may find that funds are owed to HLP AE because of the R2T4 calculation.

Students who stop attending without officially withdrawing from school are also subject to the R2T4 calculations. In such cases, the last date attended will be used as the withdrawal date for the payment period.

Failure to participate in more than 60% of the payment period, and/or meet Satisfactory Academic Progress at the end of the payment period, or Probation, may also trigger an R2T4. 1. A student's total Title IV Aid received will be reviewed to determine the total amount of Title IV aid disbursed, and that could have been disbursed, for the payment period.

2. The next step will determine the percentage of Title IV earned by dividing the clock hours scheduled to have been completed as of the withdrawal date in the payment period by the total clock hours for the same period.
3. The amount of Title IV aid earned by the student will be determined by multiplying the percentage of Title IV aid earned by the total Title IV aid disbursed and that could have been disbursed for the payment period.
4. **Title IV Aid to be Disbursed or Returned**
 - (a) If the amount of Title IV aid earned by the student is **greater** than the total Title IV aid disbursed for the payment period; a post-withdrawal disbursement to the student will be made within 45 days from the date the school determined the student withdrew.

(b) If the amount of Title IV aid earned is **less than** the amount of Title IV aid disbursed for the payment period, a calculation for Title IV aid to be returned will be made. A school must return any unearned Title IV funds it is responsible for within 45 days of the date the school determined the student withdrew.

(c) If the amount of Title IV aid earned and the amount of Title IV aid disbursed is **equal** to the payment period, no further action will be taken.

5. Steps 5 through 10 of the R2T4 worksheet will determine Grant funds to be returned by a student if any.

A Post-withdrawal Disbursement (PWD) will be offset by any outstanding charges scheduled to be paid.

Under this policy, the student and school each may have some responsibility to return funds to the U.S. Department of Education. If the student does not return amount owed within 45 days, the amount of overpayment will be reported to the U.S. Department of Education (DOE) via the National Student Loan Database (NSLDS) and the student will be referred to the DOE for resolution of debt.

Overpayment:

Students who owe overpayments are no longer eligible for additional Federal Student Aid.

Overpayment of Pell Grant funds can be repaid to the school if the overpayment is settled in full by the end of the award year for which the overpayment occurred. If not, an overpayment will be reported to the U.S. Department of Education via the National Student Loan Data System (NSLDS) and the student will not be eligible for any further Title IV funds. Certificates will not be issued until repayment of an overpayment has been made.

Minimum Requirements for Receiving Title IV Aid:

To be able to receive assistance from any of the programs mentioned you must meet the minimum requirements:

- Be a U.S. Citizen or eligible non-citizen
- Possess a High School/State issued High School Equivalency Transcript from a Regional Accredited Institution (<http://ope.ed.gov/accreditation/>) Examples are GED, HiSET. Foreign high school diplomas must be translated and are the responsibility of the student).
- Plan to enroll or be enrolled in a Title IV approved Career Technical Education program of 600 hours or more and leading towards a certificate at the end of your training.
- Demonstrate a need.

Funds received under the Federal Pell Grant must be used solely for expenses related to attendance or conditioned attendance at Hacienda La Puente Adult Education.

Students are required to provide the minimum following documentation to receive Title IV Aid:

- Valid Government photo identification
- Valid United States Passport with Current Photo
- Social Security Card
- Original High School Diploma or a sealed High School Transcripts or High School Equivalency (GED, HiSET). All foreign High School Diploma will need to be evaluated by an agency approved by the commission for foreign transcripts (www.ctc.ca.gov). The nearest approved agency is the American Education Research Corporation (AERC) (www.aerc-eval.com).

If you are selected for Income Verification:

- Income Verification is often required, and it is strongly recommended you verify your and parent's income (if required) when applying for Student Aid (www.fafsa.gov) by using the IRS Data Retrieval Tool (DRT) online. If you are not able to verify your income and/ or parent's income for the year requested using the IRS DRT, you may need to request it from the IRS at (www.irs.gov) or visit an IRS office (see address below).

Important: If you and your spouse (if married), and/or your parents (if required) are selected for Income Verification but did not file an IRS Income Tax Return for the tax year being requested, you will need to request an IRS Non-filing Status Letter. To request a Non-Filing Status letter, you may fill out IRS Form 4506-T or visit the nearest IRS office located at 9350 East Flair Drive, El Monte, CA 91731. Mailing the IRS form may take 3 weeks or longer for a response. **Note: Failure to bring in required documentation may delay your financial aid.**

Cost of Attendance (COA):

Components for determining student cost of attendance will be tuition and fees, room and board, instructional materials and books, miscellaneous expense, and transportation expense. Cost of Attendance for Dependent and Independent students will be different and vary from program to program. The Total Cost of Attendance will be used to calculate your Federal Student Aid.

Payment Periods:

Your Pell Grant is calculated based on the hours you have completed or will complete in the payment period. A payment period is defined as 450 hours. There are two payment periods in the award year (900 hours). Pell Grant payments are scheduled as follows:

- 1st payment will be disbursed to a student on or before completing 450 Clock Hours
- 2nd payment will be disbursed to a student on or before completing 450 Clock Hours

Pell Grant payments to students are made by check. For a student to pick up a scheduled Pell Grant Disbursement they must first obtain a Financial Aid Progress Report from the financial aid office. Return the signed Progress Report to the FA office where their attendance will also be reviewed. If the student is meeting the minimum SAP and Attendance requirements, a check authorization will be given to the student to take to the Willow Front Office Desk to pick up their Pell Grant check.

Pell Grant Payments made from a student Pell Grant Award for the deferred cost of fees, books, materials, and supplies will be paid directly to the school from the students Pell Grant Award. A Pell Grant Payment may be mailed but will require a prior written request.
