Special Education Advisory Council
Minutes from Mar 18, 2025 Meeting
Location: Student Support Services

Attendees:
Dr. Gail Autrey
Angela Westerburg
Ellie Hilton
Janet Bentley

Meeting began promptly at 5:30. Dr. Autrey welcomed everyone and reviewed the minutes from the previous meeting. Followed by a review of the following items.

- Agenda
- Update on community brochure
- Introduction of discussion about new PreK curriculum
- One topic of interest for future discussion- the importance of inclusive practices in our schools, teaching students to advocate for themselves and providing parents with resources outside of school.

Future plans are to continue researching positives and negatives of different PreK curriculum including support for diverse learners, students that are learning English as a second language, and opportunities for parental involvement.
The meeting adjourned at 6:40.
