TCHATT
Texas Child Health Access Through Telemedicine

Why Choose TCHATT?

Texas Child Health Access Through Telemedicine (TCHATT)

- TCHATT provides FREE access to mental health services to students in participating school districts.
- The TCHATT program offers therapy interventions, medication management, resources, and mental health support.
- TCHATT is a telemedicine service with a limited wait time for your appointment.
- TCHATT can help answer questions about your child's mental health.
- TCHATT can provide community-based resources following treatment.

We Specialize in

- Depression
- Anxiety
- Behavioral Concerns
- ADHD
- Trauma

utmb Health
A TCMHCC Participating Agency

For more information on the TCHATT program at UTMB, please contact us at TCHATT@utmb.edu or 409-747-8360.
