In addition to the terms defined in the "Definitions" section of your *Disclosure Form*, some capitalized terms have special meaning in this document, as described in the "Definitions" section at the end of this document.

This amendment is only a summary of your chiropractic coverage. The Chiropractic Services Amendment to your *EOC* provides details about the terms and conditions of your chiropractic coverage, including exclusions and limitations.

## **ASH Participating Providers**

The list of ASH Participating Providers is available on the ASH Plans Website at <u>ashlink.com/ash/kp</u> or from the ASH Plans Customer Service Department at **1-800-678-9133** (TTY users call 711) weekdays from 5 a.m. to 6 p.m. The list of ASH Participating Providers is subject to change at any time without notice.

#### **How to Obtain Services**

You can obtain services from any ASH Participating Providers without a referral from a Plan Physician.

To obtain services, call an ASH Participating Provider to schedule an initial examination. If additional Services are required after the initial examination, verification that the Services are Medically Necessary may be required. Your ASH Participating Provider will request any required medical necessity determinations. An ASH Plans' clinician in the same or similar specialty as the provider of Services under review will determine whether the Services are or were Medically Necessary Services. For more information about how to obtain covered Services, refer to the Chiropractic Services amendment to your Health Plan *EOC*.

### **Second Opinions**

You may request a second opinion in regard to covered Service by contacting another ASH Participating Provider. Your visit to another ASH Participating Provider for a second opinion generally will count toward any visit limit, if applicable. An ASH Participating Provider may also request a second opinion in regard to covered Services by referring you to another ASH Participating Provider in the same or similar specialty. When you are referred by an ASH Participating Provider to another ASH Participating Provider for a second opinion, your visit to the other ASH Participating Provider will not count toward any visit limit, if applicable. An authorization or denial of your request for a second opinion will be provided in an expeditious manner, as appropriate for your condition. If your request for a second opinion is denied, you will be notified in writing of the reasons for the denial, and of your right to file a grievance as described in your Health Plan *EOC*.

#### **Your Costs**

When you receive covered Services, you must pay the Cost Share as described in the Chiropractic Services amendment to your Health Plan *EOC*. The Cost Share does not apply toward the Plan Deductible or Plan Out-of-Pocket Maximum described in the Health Plan *EOC*.

#### **ASH Plans Customer Service**

If you have question about the Services you can get from an ASH Participating Provider, you may call the ASH Plans Customer Service Department toll free at **1-800-678-9133** (TTY users call **711**) weekdays from 5 a.m. to 6 p.m.
