- ☒ Action
- ☒ Information
- ☒ Discussion

In the last two years, we have installed a double-decker band director tower, refurbished the old band trailer, and purchased a brand-new band trailer.

However, it has been around two decades since we have replaced a large percentage of our Pantherland Band's instruments. For the past few months, we have worked with the band director to develop a comprehensive list of instruments to continue improving our already fantastic Pride of Pantherland Band.

N-Tune Music & Sound is located in Odessa, which makes it easier to receive support and customer service. In addition, they are part of cooperatives of which we are members.

Fiscal Implications:

\$715,461.91

Recommendation:

I recommend approving the quotes

Suggested Motion:

I move to Approve the N-Tune Quotes as Presented.
