5. Horses will not be allowed to enter the yard if their Influenza and Tetanus vaccinations are not up to date. Please note that the primary (first two vaccinations) must have been completed seven days PRIOR to arrival, also your horse should not require to be vaccinated within seven days of arriving. Currently, horses must have received an Equine Influenza booster within six months upon arrival - failure to meet this requirement will mean your horse will be turned away.

D FEEDING AND BEDDING

1. A basic feed of chaff and nuts is included within the Livery package, however parents are more than welcome to use their own feed instead. Further feed can be purchased locally and added to the school delivery.
2. Diets will be formulated and monitored for individual horses/ponies, in liaison with the pupil.

E WORMING

1. All horses must follow the Equestrian Centre's worming programme if they are to be grazing on the paddocks here.

3. Shoeing will be charged in arrears on the School account. All horses must return to School having been recently shod as a farrier will not be in attendance in the first week of term.
4. By signing the Livery Agreement, parents give permission for their contact details to be forwarded to third parties involved in the care of their horse (eg. farrier, vets, physio, horse dentist etc), for billing purposes.
5. All veterinary and other third party invoices must be paid directly by the owner to the third party. Stonar will not be responsible for payment of third party invoices incurred while the horse is kept at Stonar.

6. The School will make every effort to contact parents in the event of a veterinary emergency however, by signing the agreement, parents authorise Stonar and staff representing the school to take any action deemed necessary for the welfare of the horse, including emergency veterinary treatment and euthanasia if it is deemed necessary and humane by the veterinary surgeon.
