To: Santa Clara County Clerk-Recorder

East Wing, First Floor 70 West Hedding Street San José, CA 95110 From: Sunnyvale School District

825 West Iowa Avenue Sunnyvale, CA 94086

Project Title: Cherry Chase Elementary School Playground Refurbishments

Project Location: Cherry Chase Elementary School, 1138 Heatherstone Way

Project Location - City: Sunnyvale, CA 94087 Project Location - County: Santa Clara County

Name of Public Agency Approving Project: Sunnyvale School District

Name of Person or Agency Carrying Out Project: Sunnyvale School District

Lead Agency Contact Person: Brandt Burns Phone Number: (408) 522-8200 x1060

Description of Project: The Sunnyvale School District (SSD) proposes to replace some of the existing playground components, install new playground equipment, re-stripe the existing asphalt play surface, install new shade structures, and add new playground matting at the Cherry Chase Elementary School campus.

Exempt Status: One or more of the following Categorical Exemptions are applicable to the proposed project:

Class 1 - Section 15301. Existing Facilities: Operation, repair, maintenance, or minor alterations to a public facility involving no or negligible expansion of existing or former use.

Class 2 - Section 15302. Replacement or Reconstruction: Replacement or reconstruction of structures and facilities where the new structure will be located on the same site for substantially the same purpose.

Class 4 - Section 15304. Minor Alterations to Land: Minor public or private alterations in the condition of land, water, and/or vegetation that do not involve the removal of healthy, mature, scenic trees.

Class 11 - Section 15311. Accessory Structures: Construction or replacement of minor structures accessory to existing commercial, industrial, or institutional facilities including on-premises signs.

Class 14 - Section 15314. Minor Additions to Schools: Minor additions to schools within school grounds where the addition does not increase student capacity by more than 25 percent or ten classrooms,

Reasons Why Project is Exempt: The proposed improvements to Cherry Chase Elementary School would not introduce a new use onto the campus or result in an enrollment increase. Per section 15300.2 of the CEQA Guidelines, it has been determined the project is not located on a hazardous waste site and the project would not affect environmental resources of hazardous or critical concern, result in a significant impact due to unusual circumstances, damage scenic resources, affect an historical resource, or result in a cumulative impact. For these reasons, the project is exempt from the provisions of CEQA.
