1:1 DISTRICT CHROMEBOOK AGREEMENT

I will follow all of the school policies regarding the Chromebook while at school as well as outside of the school day.

I understand this Chromebook is designated for educational purposes. Elementary student Chromebooks remain in the classroom and will not go home. MS and HS will be permitted to take their Chromebooks home.

I will bring the Chromebook to school every day, fully charged.

I will only use the Chromebook camera capabilities for academic purposes, with the consent of the participants, their knowledge of the media's intended use, and staff approval.

I will not attempt to alter the profiles or settings, access setup, or use any software, utilities, applications, or other means to change the settings, access Internet sites, or content blocked by filters.

I understand that the Chromebook is a District-owned device and all content stored on the Chromebook is subject to review at any time.

I understand I am responsible for any damage, vandalism, loss, or theft of the Chromebook and charger whether due to accident, neglect or intent.

I will notify my teacher or the administration in case of damage, theft, vandalism, or loss of device within 24 hours.

I understand my parent/guardian will be responsible for all fees associated with the repair/replacement of my Chromebook and charger if needed.

Chromebooks are to be returned at the end of your senior year or upon withdrawal from the school district.

I agree to return the Chromebook and charger provided by the District in good working condition when changing buildings, graduating, or being withdrawn from Canfield Local School District.
