

# DISTRACTION FREE LEARNING ENVIRONMENTS

## ★ SUHSD ★

MIDDLE SCHOOLS ARE CREATING DISTRACTION FREE CAMPUSES TO INCREASE ENGAGEMENT AND LEARNING USING A SECURE STORAGE POUCH CALLED YONDR FOR CELL PHONES.

The Yondr Program utilizes a simple, secure pouch that stores a phone. Every student will secure their phone in a personally assigned Yondr pouch when they arrive at school.

*Every student will be assigned a personal Yondr Pouch. While the Yondr Pouch is considered school property, it will be each student's responsibility to bring their Pouch with them to school every day and keep it in good working condition.*

### AS STUDENTS ARRIVE TO SCHOOL, THEY WILL:

- 1) Turn their cell phone off.
- 2) Place their cell phone inside the pouch and secure it in front of school staff.
- 3) Store the pouch in their backpack for the day.

Over 2,000 schools across 16 countries have implemented the use of Yondr Pouches. After implementation it was found:

65%

**65% OF SCHOOLS**

*saw a positive change in academic performance*

72%

**72% OF SCHOOLS**

*saw a positive change in student behavior*

84%

**84% OF SCHOOLS**

*saw a change in student engagement*
